Clive,
 Further to your request for information about InterAcct...

1. Please see attached our initial cost estimate - based on 12 users in a computer network.
2. The base software includes all the normal accounting, plus the Sales & Marketing CRM database
3. The Sales Order Processing module includes backorders, links to production scheduling, multi
4. I have also included the options of the Service/Maintenance for service contracts, equipment
5. I have estimated the amount of time you might need for implementation & training, however thi
6. There is a small contingency fund in the estimate to cover possible database/report changes y
7. See attached our Products & Services agreement - covering support issues, charge rates, etc.
8. I will mail you our 36 page colour booklet too - a good introduction with screen shots, plus
9. The wish to consider.

Remember from my last email that you can also download PowerPoint documents from our web site :-
 Accounting, Quotations, Manufacturing, and Job Costing, plus some of the more general ones (like
 Please call me on our Toll Free number should you wish to - 1. Discuss your requirements further
